Carrier Information

The fields below should be completed by the carrier. The information provided should be sufficient for distributors in the chain to understand the value of the product, the intended target market and those to whom the product should not be marketed. Other information should be included (if relevant) to advise distributors of how their known or expected actions might affect the value of the product.

Product information

Public and Products Excess Liability Cover

Target market

Commercial clients requiring additional cover above the indemnity limit of their primary Public and Products liability policy, providing protection from major incidents that could exceed their primary insurance.

Types of customer for whom the product would be unsuitable

Clients unlikely to require cover exceeding their existing cover limits.

Any notable exclusions or circumstances where the product will not respond

Please see policy wording for exclusions.

Other information which may be relevant to distributors
