## MI-BINDER DELEGATED AUTHORITY MADE EASY

**Mi-Binder is Mi Commercial Risks online delegated authority platform for partner brokers that provides an efficient and compliant solution to operating delegated authority facilities.**

The online platform at www.mi-binder.com is available 24/7 and takes away all the complexity and hassle traditionally associated with running delegated authorities.

Mi-Binder offers the independent broker clear competitive advantages in the market and includes the following capability:

- Participating brokers can top and tail policy documents with their own brand
- Authority for premium discounting and loading, within a range prescribed in the underwriting guide
- A full cycle auto-rated platform that issues quotes, documents, mid-term adjustments and renewals
- Real time trading - brokers can deal with our underwriters live online
- Any referrals to R&Q are dealt with quickly and retained in the platform with full audit trail.
- Products currently available on Mi-Binder are:
- Property Owners Insurance
- Package Combined
- Per Capita Liability
- Motor Trade Liability, including Service Indemnity
