Important!

Inflation provision (day one basis) – where the basis of settlement is on a day one basis you must notify us of the Declared Value of the property insured for each item at the beginning of the period of insurance. The Declared Value is the value you arrive at when considering the potential cost of rebuilding or replacing property lost, destroyed or damaged with allowance made for professional fees, debris removal costs and any additional costs to comply with public authority requirements (ignoring any inflationary factors).

Day one basis of reinstatement means that the sum insured is declared as at the first day of the period of insurance and an inflation provision of 15% is then applied to reflect the effect of inflation. For example you may have a declared value of £100,000 and a sum insured of £115,000.
